Yearly review

Tom Rochette <tom.rochette@coreteks.org>

November 2, 2024 — 36c8eb68

1 Trigger

Every year, either at the beginning or end of the year.

2 Duration

A few hours spread over the course of a few days.

3 Steps

- Review year according to various facets
- Plan the next year according to the same facets

4 Notes

- I use a mind map software to do my yearly review and plan.
